WINTER REVERSE ADVENT

This winter Yorkshire Aid are asking people to do something different and donate their reverse advent box to refugee families in Yorkshire & France.

How does the reverse advent work?

Instead of opening a numbered window each day and scoffing a chocolate, you start with an empty box and each day of advent donate a small gift for your refugee family. Bring the box(es) to us and we will ensure they get to the families.

IDEAS FOR YOUR BOX

Please email or message us on facebook to ask for our drop off locations.
